AnimeGO! Japan Pop Culture Festival 2024

Short Anime Film Competition

Competition Terms and Conditions

The AnimeGO! Japan Pop Culture Festival aims to promote and celebrate Japanese pop culture in Australia. Anime from Japan has become a worldwide phenomenon, and we would like to celebrate this through a short anime film competition. Each year, a theme is introduced to encourage cultural learning and understanding of Japan. The focus of the competition is the incorporation of the theme and overall quality. We encourage everyone who enjoys creating animation to apply with an entry.

This year's theme is 「義理・人情」 [giri / ninjyou] refers to one's duty to one's social obligations (giri) and one's personal desires, feelings and nature (ninjyou). In Japanese culture these dual ideas shape one's thinking around life decisions.

The following information contains guidelines, as well as the terms and conditions required in order to enter an original short anime film in the competition. Please read and follow all instructions carefully.

Entry is open to anyone over the age of 18 years or, if under 18 years, the submission must include written permission from his or her parent or guardian. Participants can enter the competition as an individual or as a group. A group must have a minimum of 2 people and cannot exceed the maximum of 5 people. If a group is found to have exceeded 5 people, their entry will be disqualified. A person participating in a group can also submit a film as an individual, however they must be entirely separate films and meet the requirements of the guidelines and terms and conditions of AnimeGO! Japan Pop Culture Festival 2023. Officers and employees of JAJA, and all family members of each of them, are not eligible to enter this competition.

2. Binding Agreement

The Creator(s) agrees that by filling in the submission form and uploading a film via the Website, the Creator has formally entered the Short Anime Film Competition and accepted the terms and conditions contained within the Terms and Conditions of Entry, and the information and instructions contained in the AnimeGO! Festival entry guidelines (all of these are referred to collectively below as the requirements). This will automatically create a legally binding agreement between JAJA and the creator that incorporates these terms and conditions and all the other requirements (Agreement).

3. Judging

The Short Anime Film Competition is a competition on the innovative use of the cultural theme. JAJA will appoint an independent judging panel to review the films entered in the Short Anime Film Competition. This panel will be comprised of industry professionals and JAJA committee members and others (Panel). The members of the panel will watch and review the films between the 1st of October to 18th of October 2022. The judges will shortlist the 20 films which meet all requirements (Top Twenty Films) and then determine the overall best film that will be the winner(s) of the AnimeGO! Japan Pop Culture Festival - Short Anime Film Competition (Winner(s)). The winner(s) will be announced during the award ceremony at the AnimeGO! Japan Pop Culture Festival. The top twenty films and the ultimate winner(s) will be decided based on judging criteria determined by the panel. The panel will be asked to consider the following categories: Theme, Innovation, Technical Skills, and Anime/Cultural Referencing.

The categories will feature these key points:

Theme: How well has the specified theme been incorporated, referenced or conveyed throughout the animation. If there is no evidence of the reference, then the film will be disqualified.

Innovation: The level of innovation incorporated within the animation focussing on the following aspects, narrative style and interpretation.

Technical Skills: Evaluate to what level of success the Twelve Basic Principles of Animation have been utilised throughout the animation.

Cultural referencing: Evaluate the quality of cultural references incorporated throughout the animation. These may be subtle or overt for example: visual cues, compositional style, anime animation technique and storytelling approaches.

The panel's decision will be final and no communications in relation to their decision will be allowed.

The twenty shortlisted films will be screened during the AnimeGO! Japan Pop Culture Festival on 26th October 2024, or an alternative date specified by Jafa. The creators of those films should be notified of their selection within 12 days of the panel's decision. The shortlisted films may be placed into a people's choice competition which will be announced after AnimeGO! Japan Pop Culture Festival. The creators will be provided with necessary details such as competition platform and prize once they are confirmed.

Jafa reserves the right to exclude any film from the Short Anime Film Competition at any time (even after its shortlisted or as the winner(s)) if Jafa reasonably believes that the film does not meet all the requirements or the creator of that film has breached any term or condition, or failed to comply with any warranty or representation given, in the agreement.

4. Prize(s)

The Prize for the competition will be the provision by JAJFA of flights and accommodation to Japan worth up to AUD\$1000, in the form of tickets, vouchers or a sum of money of equivalent value to apply to that purpose. If the winner resides outside of Australia, the prize will be the equivalent flights and accommodation to Adelaide, Australia worth up to AUD\$1000. The Prize will be awarded to the Winner(s) at the award ceremony at AnimeGO! Japan Pop Culture Festival. Appendix A – Glossary

「義理」 ぎり—*giri*

「義理」 ぎり—*giri* refers to one's social obligations. It is the way in which someone has social obligations in relations to others, and this concept applies to particular people and is hence not universal for everyone. It usually is in relations to juniors being loyal and self-sacrificing to their seniors. It is a concept focused on the moral obligations towards society.

[人情] —にんじょう—*ninjou*

[人情] —にんじょう—*ninjou* references universal human feelings like sorrow, generosity, love, pity, affection, sympathy and so forth and is seen as the opposite of *giri*. One can fulfill their moral obligations (*giri*) whilst their real human feelings can be at odds or different.
